T13208

Specifications

- **Cabinet Color**
  Eastern Metallic Silver.
- **Dimensions: 15½" W, 15¼" D, 16" H**
- **Approx. Shipping Weight: 32 Lbs.**

Remote

➤**NITEglo™ Backlit Remote with Sleep Timer Button**
CRK230DL
The backlit controls make nighttime viewing easy to control TV volume, channel scanning, mute, and sleep timer.

Picture

- **Picture Reset**
  Instantly returns picture to factory settings for Color, Tint, Contrast, Brightness and Sharpness.
- **181-Channel Tuning Capability[1]**
  Digitally controlled frequency synthesis tuning system "locks on" to cable and standard signals with unsurpassed accuracy.

Convenience

- **Trilingual On-Screen Display**
  Allows the on-screen menu system to be displayed in one of three languages (English, French, or Spanish).
- **On-Screen Menu System**
  On-screen displays make it easy to adjust most picture, sound, and convenience features from the remote control.
- **Caption Vision CC Closed Caption Capability[2]**
  Assists the hearing impaired, helps children learn to read, and aids in the teaching of English as a second language. Built-in Closed Caption Decoder displays the audio portion of a program as text on the TV screen (when program is aired with the encoded signal).
- **Advanced Auto Channel Search**
  Auto Cable/Air Switch sets tuner to cable or "off-air" frequencies during initial setup. Then system automatically scans for and locks active channels into channel memory.
- **Programmable Timer System**
  Convenient scheduling system can be used in a variety of ways:
  - **Sleep Timer**
    Automatically turns off the TV after a preset time period — for those times when you drift off to sleep in front of the television.
  - **Alarm Timer**
    Wake up to your favorite morning show or turn on your television automatically to catch your favorite program.

VCR Capabilities

- **2-Head VCR with 26/32 Micron Head Design**
  The performance of VHS equipment depends in part on the magnetic head design, which is responsible for recording and playback. Economical 2-head designs featuring 26/32-micron head design provide a balanced quality for recording and playback of VHS tapes in both the SP and SLP speeds.
- **8-Event/1-Year Programmable Timer**
  The built-in timer memory can be preset up to one year in advance to record as many as eight different programs automatically.
- **Auto Tracking**
  Allows playing of most VHS tapes without the need for manual tracking adjustments.
- **Auto Power On, Auto Play, Auto Rewind, Auto ShutOff**
  Simply inserting a cassette in the VCR turns it on (Auto Power On). When a prerecorded cassette is inserted in the VCR, it automatically starts to play (Auto Play). When the end of the tape is reached, Auto Rewind automatically rewinds the tape. If the VCR is turned off during rewind, it will continue rewinding until end of tape is reached, then shut off.
- **Quick-Start Mechanism**
  As soon as a tape is loaded into this VCR, it starts to play.
- **Simplified On-Screen Programming**
  With the RCA remote control and on-screen displays, all timer programming can be done from the convenience of your chair. On-screen instructions guide the viewer through each programming sequence.
- **Auto Repeat**
  Automatically rewinds at the end of the tape and then begins replay.
- **VHS Index Search System**
  Simplifies locating the start of recorded programs by placing an electronic marker at the beginning of each new recording. Select an index number and the VCR will locate it and begin playback.
- **Zero Search**
  Allows quick return to a timer counter reading of 0:00:00. Convenient for watching a segment of tape several times.
- **Blank Search**
  Simplifies locating a blank portion of the tape that is six seconds or longer for your next recording.
- **Timer Back-Up**
  Protects VCR clock, channel, and timer memories up to one minute after power loss.

Connections

➤**Front and Rear Audio/Video Inputs**
Allows quick, easy access for direct audio and video connections for additional VCR, video game or video source.

➤**Headphone Jack**
Listen privately to TV with optional earphone or headphones.

Plus

- **Limited Warranty**
  – 90 days for labor charges.
  – One year for parts.
  – Two years for picture tube.
  – See RCA dealer or visit www.rca.com for complete details.

1 Check your cable company's compatibility requirements.
2 This television receiver provides display of television closed captioning in accordance with §15.119 of the FCC rules. This television receiver does not support color attributes of television closed captioning.
